Kristen Atwood

Thank you for your joyful singing tonight. We feel honored to be part of Epiphany's 10th birthday celebration. The next 10 years will certainly be wonderful at your school. Best wishes,

Devon & Dwight Angelini

Each time we have been to visit Epiphany we have always found that every student that we've met has looked us in the eye and shook our hands, and done it with sincerity. We are not just impressed with this show of personal respect and maturity, we are blown away.

Sam and Tess Atkinson

My name is Olivia Atwood. I know the Dalys very well and was invited by her tonight. I have been amazed at the skills and talents of the students. Being introduced to the hope and motivation that created this school, I have become inspired to pursue my dreams and create realities. I would love to get involved with this school and its exceptional students. I am awed at the pure joy and happiness that exists at this truly amazing school. The beauty of singing, the grace of poems, the humor of the speeches, and the inspiration that I felt here tonight have been nearly life-changing. I am motivated to help my community and others less fortunate than I. Thank you for this exceptional evening.

Olivia Atwood

My husband Steve and I were introduced to Epiphany School years ago through our dear friends Poppy & George Motley. George is currently in the hospital recovering from a very serious bike accident. I'm sure that Poppy and George wish they could be here. This school stands for so much that the Motleys believe in – hard work, faith, family, education, love. Steve and I would like to be more involved with your school. I'm on the verge of tears here. In a world full of troubles, there is no trouble here. Thank you for sharing your school and all the beautiful kids with us.

Lisa Jenks

Happy birthday, Epiphany!

At this point in your lives, it’s hard to appreciate how inspiring you are to others, but please keep going. What you do in the next 10 years will define your entire lives. So in addition to lifting the spirit of people like me, do it for yourself. You can. Epiphany is a magical opportunity. Don’t let it slip by.

I'm just a college student, but my dream is to teach and to change
children's lives. This school means a lot to my mother and my family, and
more importantly the future students and students of Epiphany. If I'm
lucky enough, and if you'll take me, I'd love to volunteer at Epiphany after I
graduate. Thank you for this wonderful evening.

Olivia Hope Wheeler

We believe in you!

Dix & Alexandra Wheelock

My wife Pam and I have been lucky to have been introduced to your terrific

I'm a junior in college and Epiphany has touched me. You guys are
awesome, from the faculty to the students. One day I will give money, if I
do not become a teacher.

Jordan Gibson

Dear Epiphany, You are awesome! I think that if all the schools were like
this, the world would be great.

Addie and Michael Daly

Hi, my name is Jacob. I'm in 4th grade. I think Epiphany is a great school. This gala is an inspiring, great, and over-all good thing. Sincerely,

Jacob

P.S. You have a great chorus.

I am so happy that I was able to celebrate with you at the anniversary dinner. You are wonderful singers and you all performed beautifully! I loved listening to you. I know that you will all be successful in whatever you do in your life. Keep doing what you're doing now. Thank you for singing!!

Mary Kennedy

The unselfishness, fortitude and commitment of the staff at Epiphany are overshadowed only by the smiles, enthusiasm and successes of its students. The Epiphany Gala touched me in ways I cannot describe.

First to the staff: The pride you take in your job clearly conveys the love and satisfaction of your contributions. By the shining examples you set, you have undeniably earned more than a paycheck. You've gained the respect and esteem of so many people who are happy to be part of, in any way, the Epiphany family.

To the students: Truly, you are a "joyful noise" – a youthful group of enthusiastic and beautiful people. You made my heart warm and sent chills through my body with your voices and spirited sociability. I am comforted to know that outstanding students like all of you are the future of our tomorrows.

My life has been blessed by having met the amazing Epiphany family and I will forever keep you all in my prayers and fondest memories.

Truly yours,
Marilyn T. Camelio

Dear Epiphany,

You are changing the world. You have inspired me, and evoked as much love from my heart as I possess. Thank you. Thank you to John, Michelle, and everyone that created this beautiful place. As I grow older, I will give back to the community my mother created.
